CHANDELIERS

Whether it's a Venetian-glass classic or a Tom Dixon disco-ball fantasy, no fashionable home is complete without one, says the interiors writer **JUDITH WILSON**

Principe ▶

The real McCoy, a broad (70cm), hand-made, beaded-iron, Florentine chandelier based on a Twenties design. Enough Venetian glass droplets for true decadence, plus an antiqued silver frame. It can be customised with droplets in eight colours. *Rainbow London* (020-7385 1323; www.rainbowlondon.com)
